Dear Mr. LaRocca & Staff,
 My family would like to extend our greatest appreciation for a job well done. Looking back, words cannot describe how happy we are to have done business with your company. The new patio, retaining walls, steps, stucco, seating wall & drainage down to the last detail of landscaping looks great. Even better than what we expected. All stages of the work were clearly defined and met in a timely, efficient and professional manner. The work crew was phenomenal in their quality of work, cleanliness, and professionalism. There is no question about it that we are more than satisfied customers. It was a pleasure doing business with you and look forward to future projects with Flavio LaRocca & Sons, Inc. We would highly recommend Flavio LaRocca & Sons, Inc. to anyone seeking true professionals.

Truly, Craig & Judy Ruiz
